

Julian MATHER

LEADERSHIP & CHANGE KEYNOTES

CHANGEABILITY

REAL CHANGE for REAL PEOPLE made REAL SIMPLE

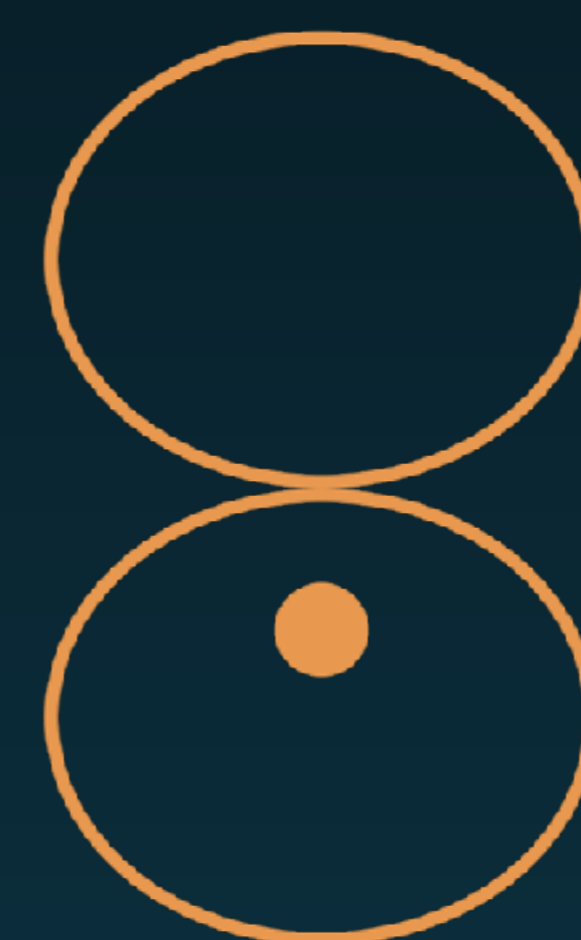

YOU CAN'T REMAIN THE SAME & EXPECT YOUR LIFE TO BE DIFFERENT

A pivotal lesson taught to me - in person - by Sir Edmund Hillary.

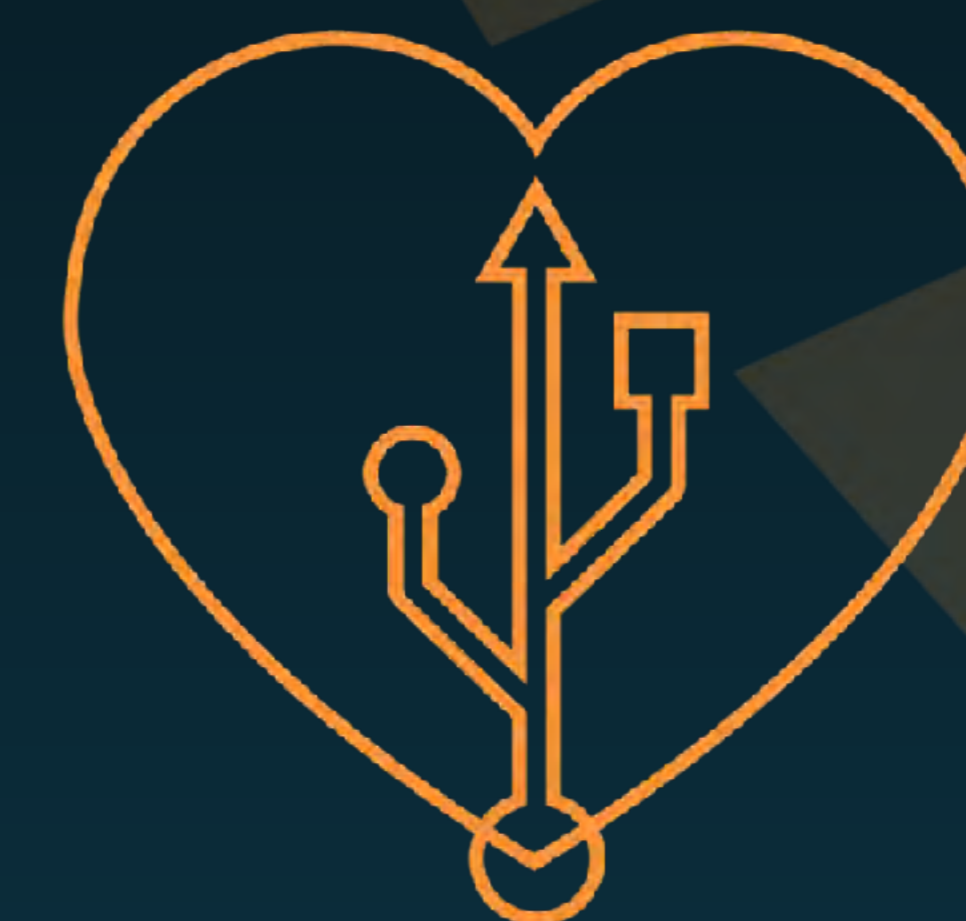

YOU CAN'T WIN A NEW GAME PLAYING BY OLD RULES

The stories we hold true got us this far. But what if they're not true? New breakthroughs need new stories.

IRRITATED OYSTERS MAKE LOVELY PEARLS

Feeling nervous? It's a sign you're on the right path. Remember, the treasure you seek is in the cave you fear to go.

DON'T RESIGN, REWIRE

Try a change of outlook rather than a change of scenery. Outside solutions rarely solve inside problems. Don't quit too soon.

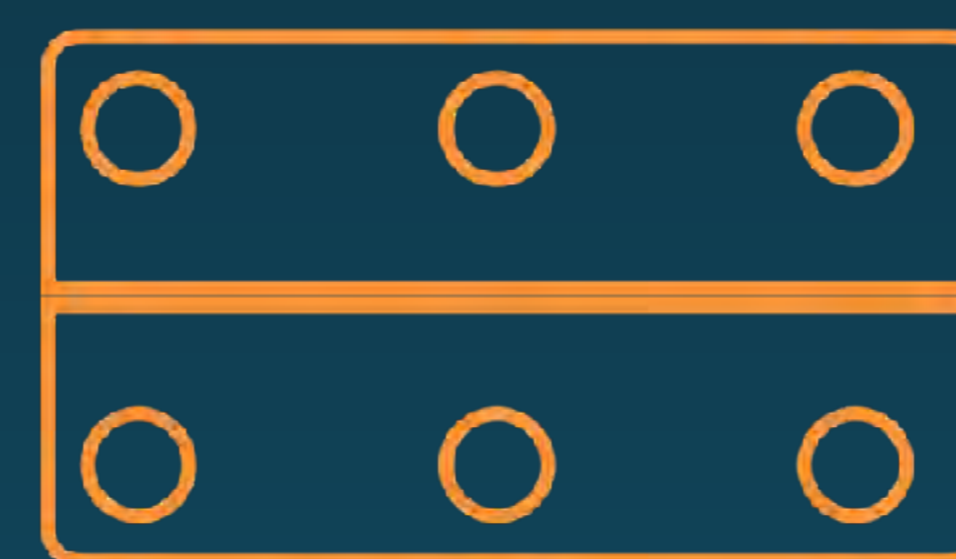

CHANGE IS NOT A PROCESS. IT'S A DECISION

Grow up and act like a 3 year old. If I don't want to.. you can't make me but if I've decided to.. you can't stop me.

GENERALIST IS THE NEW SPECIALIST

Future-proof your employability. Generalists will be indispensable and sought after in a fast-changing world.

LITTLE HINGES SWING BIG DOORS

Do you hold others in high regard but not yourself? Look past their facade and you find lots of small habits and skills. You can learn these too.

EXTRAORDINARY PEOPLE ARE ORDINARY PEOPLE WHO DO EXTRA

I have seen this time & time again: Effort meets, then beats talent.
